MG. (i) A/c "Z" first a/c to arrive in the area, 01.04 hrs., reports town completely blacked out. When a/c on mining run, ground flashes observed from 2 guns one on coast near warehouses (L on target illustration 1C(1)24A) and one to west of jetty (E?). One burst black smoke, 150 ft. above and 50 ft. to starboard of a/c. at 01.09 after a/c finished run and about to leave target area, red very light observed at top of hill, Pataw Island, and immediately afterwards m/g.s opened up along coast Mergui and Pataw Island. Much tracer seen, trajectory so low, that one member of crew described it as looking like a battle between the island and town, each shooting rounds into each other.

(ii) A/C "H" reports light A/A of automatic type from S/L. position on west coast of Pataw Island opposite Crane Jetty. Trajectory angle very low.

(iii) A/C "Q" reports one burst light A/A (black smoke) 10 yards above a/c at 200 ft. Source not observed. M/G fire from 4 or 5 guns on Crane Jetty noted.

(iv) A/c "S" last a/c to arrive, 01.25 hrs., observed about 12 rounds red and white tracer N. of Jetty - not fired at this a/c.

MG cont.

(ii) A/c. "Z" reports two small S/L.s of naval launch type, 1 near jetty (e) and other about half a mile N. they flashed haphazardly for about 1/2 minute at a time. Two other similar S/L.s, 3 miles N. of jetty also noted.

A/C "H" 1 small S/L on west coast Pataw Island, opposite jetty.

A/c "Q" Two small S/L.s southern part of town, and on N. E. coast of Pataw Island.

A/C "S" 2 S/Ls 2-3 miles N. of Mergui on coast. Went off after 2 minutes.

(iii) Nil.

MH. (i) A/c. "Z". About 20-30 launches, sampans and barges in channel between Mergui and Pataw Island. One mine (No. 2) fell into water about one yard from 3 moored barges, throwing up big column of water. Mine did not explode.

A/c. "H". 1 ship, 2 masts, 5 miles S.W. of Mergui, also 2 barges.

A/c. "Q". Masts of sunken ship between Pataw Island and southern tip of town. Many sampans and boats between some places, also 2 patrol boats. Object which might have been cruiser to south of Maingyi Island.

A/C "S". 1 ship, cruiser appearance, 2 squat funnels, stationary mouth Tenasserin River.

(ii) Nil

(iii) Red signal lamp from southern peak on King Island. See also Para. MG (i) - A/C "Z".

MJ. (i) Nil

(ii) Nil

ADDITIONAL INFORMATION. A/C. "Z" 22.25 hrs. 5000 ft. - observed 3 large transport barges tied to each other, line astern, drawn by 2 small tugs, steering out from Goyangyi Island into sea.

ROUTE Base - Goyangyi Island - Tavoy Island - south of King Island - Mergui -Goyangyi - Cheduba Island -Base.
