Grave / Memorial Locations: "E" is Egypt: "Al" is Alemein: "Is" is Israel: "G" is Greece: "Tr" is Tripoli: "Madras" is Madras India: "K" is Kandy: "C" is Colombo, Liveramentu: "T" is Trincomalee: "Sgp" signified 'missing' recorded on the Singapore Memorials.

NOTE; In the early Middle East days there were apparently more casualties but the link with 159 Squ. was very close with the result that casualties appear to be recorded by reference to the aircraft being flown. There were quite a number of 159 losses but only F/Sgt Fell, RNZAF, included :War Graves have him down as 159 but RNZAF say 160.

Air Force is R.A.F. unless otherwise stated.

Compiled by Les Crawley, ex 160 Squadron, Sigirya and Kankesanturai, Sri Lanka.
